

Vision Chart VA05

Features

17 inch LED backlit screen

New CNT test, which is more scientific, effective, and directive. CNT curve will be formed and displayed on the screen when the test is finished.

Better user experience--- All tests icons are listed on home interface.

Quick test list--- Pick ten or less frequently used tests to establish your own quick test list.

V style optotype arrangement--- Avoid optotypes congested on the screen.

Excellent programming give full play to the features of CPU.
