

# TheLabModularSystem

Organize your Workstation

Introducing **The Lab Modular System**,  
a fresh new way to organize your  
workspace, increase efficiency and  
enhance professionalism.

This innovative color-coded design is  
engineered to quickly identify the right  
tools and frame parts for the job at hand.

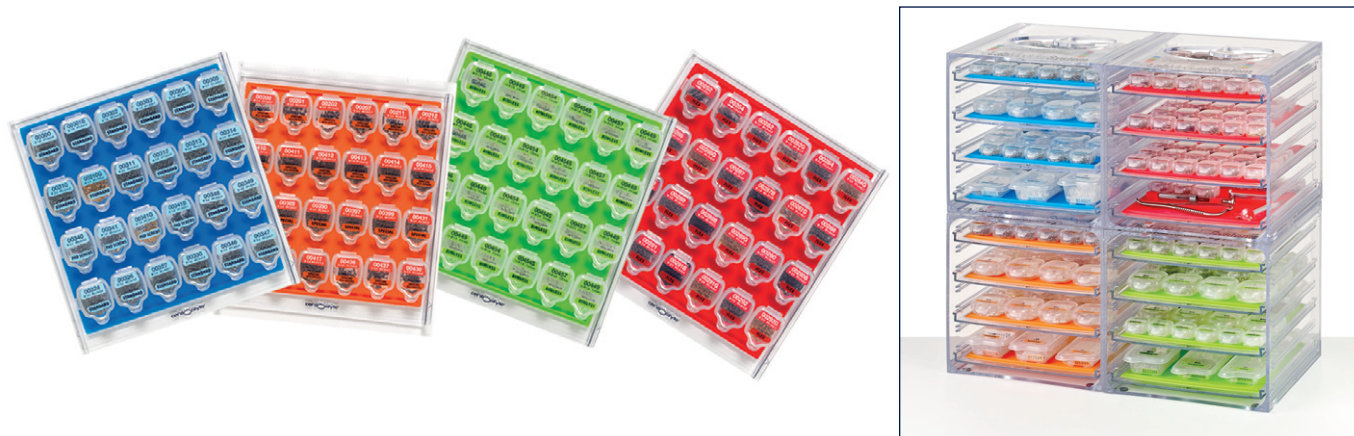

## 1 TIME SAVING FOR A QUICK REPAIR

The colour guides you to the right tool

## 2 ORDER AND FUNCTIONALITY = TIME SAVING = SPACE SAVING

Components can be easily identified by the colour of their trays

## 3 MODULARITY AND FLEXIBILITY IN YOUR LAB

Consumables and tools can be placed in dedicated cubes

## 4 PRACTICAL BOXES AND TRAYS

Everything is organized on trays and in resealable boxes of various dimensions

## 5 EVERYTHING AT HAND

Joining the boxes by arrangement

## 6 EASY PRODUCT IDENTIFICATION AND REORDER

Each colour identifies a specific use, the reference number facilitates reordering

Choose the perfect kit for your lab
